6-7 College and Career Readiness Skills

Purpose
Waukee Community School District's vision is to create students who are college and career ready by demonstrating the necessary knowledge and skills (1) for successful transition to postsecondary education and/or (2) for other career preparation pathways as demonstrated by student-generated evidence.

Key Commitments in Living the Vision:
- Involve students in self-assessment and goal setting
- Embed authentic opportunities and practice
- Provide feedback for growth
- Communicate progress in a variety of ways
- Collaborate with the community
