

8-9 College and Career Readiness Skills

Purpose

Waukee Community School District's vision is to create students who are college and career ready by demonstrating the necessary knowledge and skills (1) for successful transition to postsecondary education and/or (2) for other career preparation pathways as demonstrated by student-generated evidence.

Key Commitments in Living the Vision:

- Involve students in self-assessment and goal setting
- Embed authentic opportunities and practice
- Provide feedback for growth
- Communicate progress in a variety of ways
- Collaborate with the community

8-9 Grade CCRS

Statement	Secure	Developing	Beginning
Productively works toward accomplishing goals.	Creates a personal organization plan to accomplish a task or meet goals by using available resources and meeting deadlines.	Implements teacher-designed action plan to accomplish a task or goal by meeting deadlines and self-monitoring progress.	Implements a teacher-designed action plan to accomplish a task or goal.
Collaborates with others.	Engages in meaningful group interactions by utilizing own and others' strengths, including contributing to and participating in conversations and taking risks.
