

Camp Field Day

Everybody loves Field Day! Camp Field Day is a safe and fun-filled camp that focuses on encouraging a lifetime of physical activity! Our goal is to not only expose campers to a wide variety of games and activities, but to demonstrate the importance of leadership as well. Campers will be participating in a variety of activities that will include: organized group games, water relays, slip and slide, water challenges, glow day and much, much, more!

Camp taught by WCSD PE teachers, Jamie Seiler and Joe Burch. Jamie and Joe have 30+ years of experience and provide a quality learning experience.
