## What Is Creative Drama?

Most camps for younger students are focused on creative dramatics. Creative drama sparks children's natural abilities to become the characters they hear about in the books they love. These camps are literature-based and designed to foster listening and cooperative skills as well as self-esteem and individual expression. A creative drama class does not "perform" on the final day, however students are given the tools to share each day's story with their families.

## Weather Cancellations

If the Des Moines Public Schools cancel school because of the weather, The Playhouse will cancel classes. If possible, we will try to make up the class.

## Discipline

Some students find that theatre classroom and performance etiquette is too demanding for them. Our disciplinary policy is as follows:

- To clearly state the rules and expectations up front
- To give the student an opportunity to correct behavior
- To give a reasonable time-out within the classroom

If those steps are not successful, the student will be brought to the education director who will decide if a call home is warranted. If teachers and the director are not successful negotiating improvement, parents will be asked in for a conference. Only as a final step would a student be asked to leave class permanently.

Please note that physical violence or threats will not be tolerated and may be reason for immediate dismissal from class.
