

Tinker Time with Dash and Dot (Grades K-5)

Dash & Dot are award-winning, hands-on learning tools that teach K-5 students creative problem solving, coding, and robotics. In this course, students will learn how to program Dash and Dot to complete challenges such as launching a ball across the room and teaching Dash to play the Xylophone. Instructors teach first and second grade at Grant Ragan Elementary.

Saturday, March 28th
9 AM to 12 PM
Grant Ragan Elementary, Media Center
Fee: \$59
