

Tinker Time with Ozobots (Grades K-5)

Ozobots are small, smart toy robots that empower gamers and learners to code, play and create. Your child will learn coding and programming in a fun, uplifting learning environment. Students will help the Ozobot complete challenges and design their own challenges for others to try! Instructors teach first and second grade at Grant Ragan Elementary.

Saturday, March 28
12:30 PM to 3:30 PM
Grant Ragan Elementary, Media Center
Fee: \$59

Register online at www.waukeeschools.org/commed or call the CE office at 987-2761.
