

Math Minds (Grades 1-3)

In this course, students will practice place value, telling time, basic addition and subtraction facts, and other math concepts through engaging hands-on activities. Mathematicians will participate in whole group and small group instruction that will be built off of each participant's previous knowledge. For students entering grades 1-3.

Mondays, 7-8 PM

June 8-29

Grant Ragan Elementary, Room 108

Instructor: Megan Trader, 2nd Grade Teacher

Fee: \$39
