Waukee Schools Acceptable Use Policies

Access to technology gives students greater opportunities to learn, engage, communicate and develop skills which will prepare them for work, life and good citizenship.

All school technology is intended for educational use.

The wifi network is a school technology, therefore should only be used for educational use .

Be safe, appropriate, careful and kind.

Report any misuse or concerns of safety to an adult immediately.

Before you...

THINK!

T = Is it True?

H = Is it Helpful?

I = Is it Inspiring?
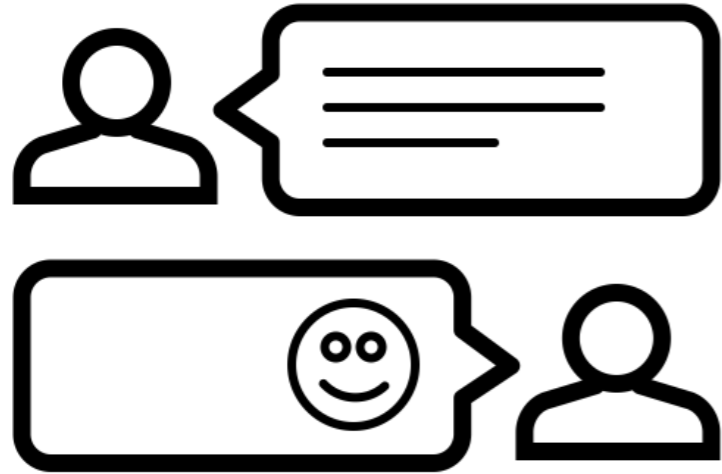

N = Is it Necessary?

K = Is it Kind?

Email is for educational use to other waukeeschools.org addresses.

Reminders:

Email can not be used for personal use.

Email can not be used to set up accounts on websites that are not for educational use.

Collaboration is essential to education.

Students are expected to communicate with the same appropriate, safe, mindful and courteous conduct online as offline.
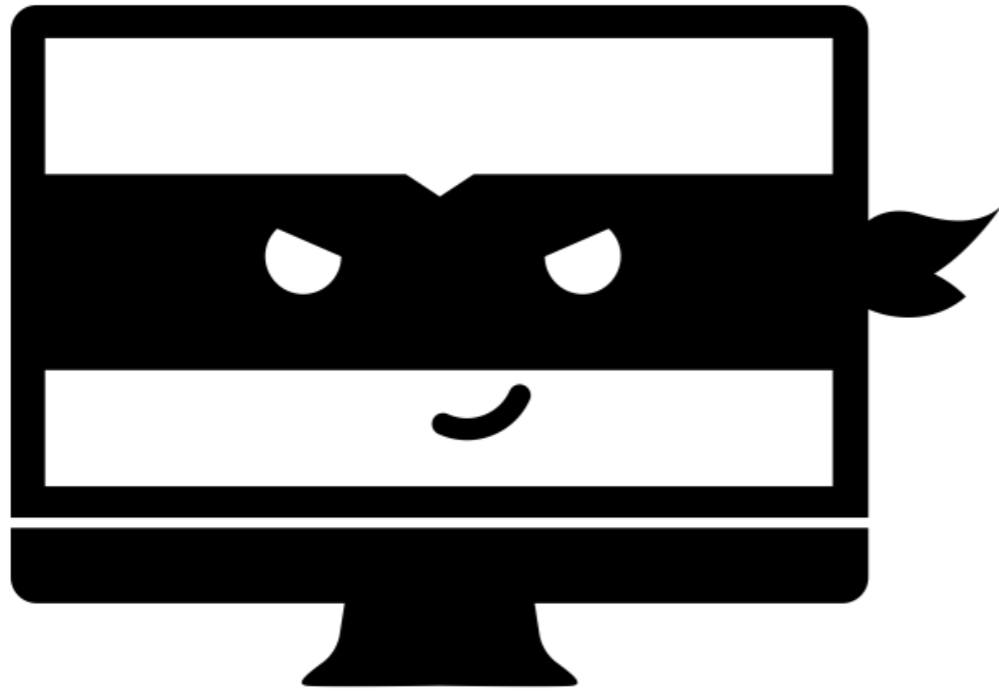

Posts, chats, sharing and messaging may be monitored.

Students should not plagiarize (or use as their own, without citing the original creator) any content, including words or images, from the Internet.

Research online should be properly cited, giving credit to the original author.

Cyberbullying will not be tolerated.

Harassing, insulting, tricking, impersonating & excluding are all examples of cyberbullying.

Engaging in any online activities intended to harm physically or emotionally another person will result in loss of privileges and severe disciplinary action.
