**What time and where is the bus stop?**

- All bus information will be found in PowerSchool under Transportation.  
**Please note:** This information will not be available until approximately one week before the first day of school, or approximately 24 hours after your request has been processed by Durham during the school year.
- Typical stop times are between 8:00 am and 8:25 am.

**Will my child's bus stop be at my driveway?**

- Unfortunately, due to District growth, all bus stops are community bus stops unless the student is assigned to a Special Needs route.

**Do I have to be at the bus stop with my Kindergartner morning and afternoon?**

- Yes, it is Durham School Services policy that a parent or older sibling is present at the bus stop to receive Kindergarten students.
- You may also appoint an older sibling, adult neighbor, grandparent, etc to receive your child from the bus in the afternoon.
- If you have a specific request, please feel free to contact Durham School Services to note on your child's profile.

**Who do I need to call if my child will not be riding the bus in the morning and or afternoon?**

- It is not required to call if your child will not be riding; however, we do appreciate the notification when possible. Please call 515.987.2788 in these circumstances.

**Due to the adjusted schedule on the first two days of school, will my child be able to ride the bus?**

- The buses will run one hour late and approximately two hours early on the first two days of school. If the bus time you are assigned is 8:20 am, the bus will be at the stop at 9:20 am in the morning. In the afternoon, if your assigned time is 4:00 pm, the bus will be arriving at approximately 2:00 or shortly before.
- We highly encourage the Kindergartners ride the bus on these two days to get them acclimated to riding the bus. You may also meet the bus at the school upon arrival if you are more comfortable.

**How do I request my child to ride home with another child?**

- Due to bus capacities, your child may only ride his or her assigned route bus.

**How do I know if my child's bus is delayed morning or afternoon?**

- Please be sure to register for Parent Square through the school district. Durham School Services will send out late bus notifications via Parent Square any time a bus is delayed by 10 minutes or more.
