

# School Improvement Action Committee 2024-25

Welcome to SIAC!

Committee members: please sit with the table assigned to your building. Seating is available in the back and at the unlabeled side tables for observers who are non-committee members.

# SIAC Overview - Terry Hurlburt and Brady Fleming

## School Improvement Advisory Committee Code:

- Board appointed representatives
- Purpose - Utilize recommendations from the committee regarding the following:
  - Major educational needs
  - Student learning goals
  - Long-range and annual improvement goals
  - Desired levels of student performance
  - Progress toward meeting the goals
  - Harassment or bullying prevention
  - Consider recommendations for infusing character education

# Strategic Plan - Terry Hurlburt and Brady Fleming

## Priority 1: Student Success in the School, Workforce, and Life

### Goal 1: Provide students with academic knowledge, inquiry skills, and an understanding of connections & personal wellness

Objective 1: WCSD students will have the wellness skills and opportunities to connect & interact with others in positive and productive ways

Objective 2: WCSD students will be prepared with the content knowledge & fundamental skills and knowledge of inquiry to maximize their learning and academic success

# District & Building Goals - Terry Hurlburt and Brady Fleming

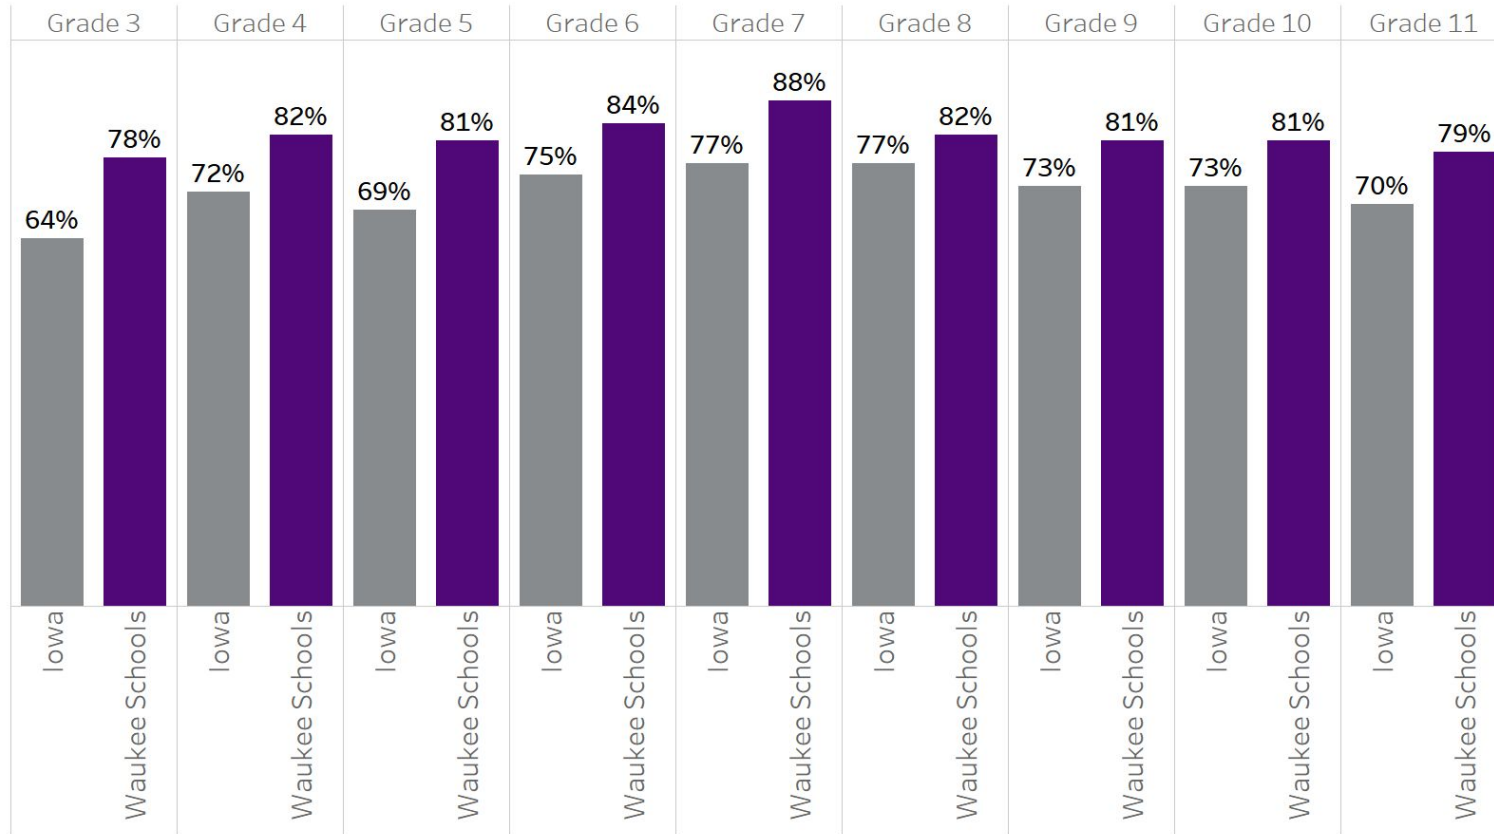

## Priority 1: Student Success in the School, Workforce, and Life

### Goal 1: Provide students with academic knowledge, inquiry skills, and an understanding of connections & personal wellness

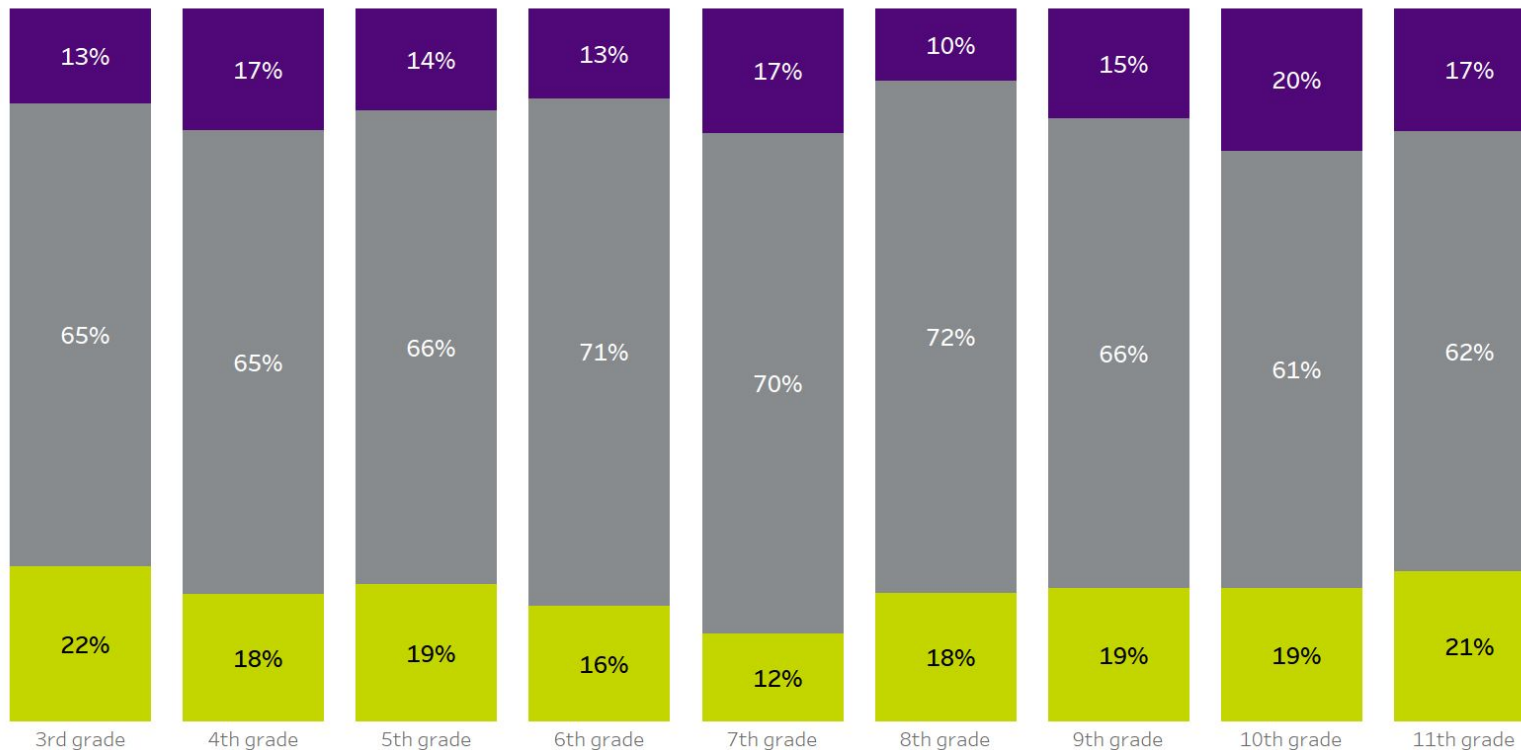

Objective 1: WCSD students will have the wellness skills and opportunities to connect & interact with others in positive and productive ways

Objective 2: WCSD students will be prepared with the content knowledge & fundamental skills and knowledge of inquiry to maximize their learning and academic success
